Events

- for all ages the 25m, 50m and 100m freestyle, backstroke, breaststroke and butterfly; and
- for swimmers aged 9 and over, the 200m freestyle, backstroke, breaststroke and butterfly plus the 200m individual medley, and the 400m freestyle.

Rules

- A swimmer can enter a maximum of **5** events per meet.
- A swimmer may only enter a **25m event** if they have never swum a longer distance in that stroke at any meet (club night and school meets excepted). Any swimmer entering a 25m event cannot enter a longer distance in that stroke at that meet.
- Swimmers aged 10 and over may only enter events in which they have NEVER achieved the Break Time (BT) indicated in the program of events in a long course swim. For a break time of 30.00, the entry time must be 30.01 or more [See exception below for swimmers aged 14 & over].
- Swimmers may only enter a 200m freestyle, backstroke, breaststroke or butterfly event if they have achieved the 100m Qualifying Time (QT) for that stroke in a long course swim. Swimmers may only enter the 400m freestyle if they have achieved the 200m freestyle QT in a long course swim.
- **Entry time must be a swimmer's best long course time for that event ever achieved.**

Meet Awards

Awards for the 1st, 2nd and 3rd boy and girl in all events for 8 & Under, 9, 10, 11, 12 and 13 & over for both Development and Intermediate divisions.

What is a 'Division'? Which one am I in? What is a Break Time?

The Summer Development Series has two divisions (or groups) for award purposes, **Development and Intermediate**. Swimmers are classified as Intermediate Division for an event once they have achieved a time equal or to or faster than the Intermediate level time set for that event (see the following pages of this Information sheet). If a swimmer does not have a time for a particular event (NT) or their best time for an event is slower than the Intermediate level time they are classified as Development Division for that event.

Where a swimmer achieves the Break Time for an event they are no longer eligible to swim that event in the Development Series. For most events this is because the swimmer has achieved the ACT Championships QT for that event. For 50m form stroke events (back, breast and fly), as these are Open events at ACT Championships, Break Times are set based on 100m times.

- Any swimmer aged 14 years and over who has recorded a time faster than the BT for a particular event in the Summer Series (and is therefore not eligible to swim that event) but has not achieved the Qualifying Time for ACT Championships for that event will be allowed to

compete in that event in the Summer Series as an Exhibition Swimmer. Such swims will not attract Series Points or Awards.

Notes:

- 25m events are considered to be Development level only.
- 200m freestyle, backstroke, breaststroke and butterfly and the 400m freestyle events are considered to be Intermediate level only

Series Points

A pointscore is conducted across the 2013-14 Bells & Foxys Summer Series.

- The first time an event is swum in the Series the swimmer receives 2 points.
- Swimmers earn "improvement" points from the second time they swim a particular event within the Series.
- From the second swim for each event, points are awarded against the swimmers' previous 2013-14 **Series best time** in that event.

Series points are accumulated at each meet on the following basis:

Points Scored	
0 points	if swimmer does not finish an event or is disqualified
1 points	if swim does not equal or better previous best Series time
2 points	if equal to or better than previous best Series time but less than 1 second faster
3 points	if better than previous best Series time by 1 second but less than 2 seconds
4 points	if better than previous best Series time by 2 second but less than 3 seconds
5 points	if better than previous best Series time by 3 seconds or more
2 points	for each first swim for a stroke and distance IN THE SERIES.
