On 5 and 6 August 2017 Swimming is hosting 466 swimmers at the ACT Short Course Championship at the AIS. With this many swimmers and family attending there may be logistical (seating) issues.

To ensure that we enjoy ourselves and the kids are focused we need you all (clubs and families) to follow the seating plan. Note that there is also space in the courtyard area, under cover.

We also ask all families and clubs to work together to ensure that we all look after one another so that enough space is available for all attending the pool this weekend. Please keep your belongings together and be considerate of others.

If there are any issues, please see:

- Marcus Stokes – Meet Director Saturday
- Jo Piva - Meet Director Sunday
